ST210 Lady Classic is a classic women's t-shirt with a round neckline.

It has a feminine neckline with a narrow rib. The rib is made with *elastane* and it is attached with a double stitch.

The t-shirt has a side seam and a fit that follows the female figure. The sleeves have a feminine fit and length. Sleeves and bottom are hemmed with double stitching.

The t-shirt is made from one of our most popular cotton fabrics, single jersey 165 g / m^2. We use this material for most of our t-shirts. The material is known for the following qualities: soft, flexible, hardwearing, suitable for many washing, good color fastness, minimal shrinkage, smooth and uniform surface.

The t-shirt has neck tape and only a small size label in the left side of the neck. In the left side seam, there is a small label with the product name and washing instructions. We call it BRAND YOURSELF, ALL PRODUCTS WITHOUT LABEL
